

Manufacturer's Certificate of Qualified Energy Property

American Recovery and Reinvestment Act of 2009 Tax Credit

Wilkening Fireplace Company
9608 State 371 NW
Walker, MN 56484

The Magna-Fyre model 3418 qualifies as “qualified energy property” in section 25C of the Internal Revenue Code under “Biomass-burning stoves” section.

Home owners should consult their tax advisor to determine whether their purchase will qualify for any potential income tax credits.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
